

Cathedral St. John The Divine.

Appearance of
Cathedral
When Completed.

General View of
Building and Grounds
in Their Present Stage.

CATHEDRAL OF ST. JOHN, THE DIVINE.

This magnificent building is expected to cost \$10,000,000 before it is completed. It probably is the finest and best located cathedral in the world. The site is 250 feet above mean-tide, and the building 445 feet above its founda-tions will be visible 25 miles away.
